## Customer Reviews

I still wish I could find a book that had just basic phrases that one might actually use when on a one-time trip to a foreign country. Who wants to know about someone's cat or their grandmother?

Excellent little packet for travel to Italy. Well put together phrase book. Essential phrases and language throughout the book. Great companion on any Italian trip.

All my books and tapes are great !

Easy to read and use, and to keep in pocket. Nearly everything I needed was in the first several pages

I used this book throughout our Italian Travels. It was enormously helpful in a quick-and-easy way.
