Founded in 1947, Hal Leonard Corporation has become the worlds largest print music publisher, representing some of the greatest songwriters and artists of all time. We are proud to publish titles of interest to all musicians as well as music lovers, from songbooks and instructional titles to artist biographies and instrument price guides to books about the music industry and all the performing arts.

This paper is great for writing chamber music like sextets,duos,trios & quartets.There is plenty of paper to write music on at a nice price.

Good quality paper.

The paper quality and the printing of staves seem fine to me. The printing is not too dark, and the space between staves seems adequate for ledger lines.The cover page says that it contains "96 pages," which may be technically accurate,but seems calculated to mislead.The package actually contains 48 sheets of 8.5" X 11" music paper, unbound and hole-punched, printed on both sides.
