The Playbook: 52 Rules To Aim, Shoot, And Score In This Game Called Life

Synopsis

A New York Times Bestseller! You gotta know the rules to play the game. Ball is life. Take it to the hoop. Soar. What can we imagine for our lives? What if we were the star players, moving and grooving through the game of life? What if we had our own rules of the game to help us get what we want, what we aspire to, what will enrich our lives?Â Illustrated with photographs by Thai Neave, The Playbook is intended to provide inspiration on the court of life. Each rule containsÂ wisdom from inspiring athletes and role models such as Nelson Mandela, Serena Williams, LeBron James, Carli Lloyd, Steph Curry and Michelle Obama. Kwame Alexander also provides his own poetic and uplifting words, as he shares stories of overcoming obstacles andÂ winning games in this motivational and inspirational book just right for graduates of any age and anyone needing a little encouragement.

Very motivating and inspiring. The short snippets paired with quotes remind students that writing can look more than just an essay. Kwame is a class favorite!

My students love this book, it is never on the shelf. After one student reads it, another one is waiting.

It was a much appreciated gift for a student going off to middle school.

Excellence!

If you're a teacher and try to instill a growth mindset in your kids, this book is a MUST!

I no longer deal with young people but I liked the poetry. It is a good way for young people to remember with ideas.

It says it like it is in life. A great guide for young children trying to develop skills in all aspects of life. Great metaphors.

My son loved this book!
