Claudia Nice is the author of 12 successful North Light books including Creating Textures in Pen and Ink with Watercolor, How to Keep a Sketchbook Journal, and Watercolor Made Simple with Claudia Nice. Well-known by both fine artists and decorative painters, her friendly voice and clear instruction reach many artists.

This is an amazing book. It makes drawing nature so enjoyable. Before I struggled with drawing any kind of background for my drawings because I was very generic . All the backgrounds looked the same, but now my backgrounds seem to come alive because I now can mix up my scenery to match the theme of my drawings. This is diffidently my favorite book for doing landscapes. William Sharp

Great book, Kindle version suffers from low resolution images and much of the book is image & script explanations. Buy the paperback version.

I love Claudia Nice books, so much attention to detail, so simple and easy to follow, and really down-to-earth explanations. Her work is absolutely beautiful. Great book for the novice and advanced artists. All books that I've ordered on .com have been quality and extremely helpful in my advancement from novice to advanced artist. I highly recommend this book.

Love it, great addition to my art library

This book is really good. However I have several other books by Claudia Nice and there is a lot of repeat examples in them.

Great book! Claudia is a great painter, and makes everything clear and easy to follow. I have learned a lot from this book, and keep going back to it over and over. I have progressed a lot with help from the book!

this book has some nice photographs and some good instruction, but most of the trees featured were not featured in full and i found this disappointings. what i did like was that all the four seasons were considered, i especially like the spring and fall colorful trees featured.

Only the first chapter (of 8) discusses drawing. After that, it's all about painting. Not recommended for pencil\ink artists though it may be okay if you're learning to paint.
