Take Heart, My Child: A Mother's Dream

Synopsis

In the tradition of Emily Winfield Martin's *The Wonderful Things You Will Be* and Nancy Tillman's *On The Night You Were Born*, popular FOX news anchor Ainsley Earhardt's lyrical lullaby inspires children to follow their dreams and passions. FOX and Friends cohost Ainsley Earhardt's debut picture book shares precious life lessons parents can pass onto their children so that they can follow their hearts, dreams, and passions. *Take Heart, My Child* is a lyrical lullaby, and Ainsley shares her own hopes and dreams, and lets her child know that whatever challenges life brings, "Take heart, my child, I will" or, my love will "always be there for you." It's a universal message, one that all readers will relate to. In the "Story Behind the Story," Ainsley talks about growing up and how her father would write messages to her and her siblings each morning, leaving notes at the breakfast table, so that his children would know they were loved, empowered, protected, and cherished.

New Year's Eve, America's News Headquarters, been a panelist on The Live Desk and appeared on Greg Gutfeld's Red Eye. Jaime (Jimyung) Kim was born and raised in Korea and moved to the United States when she was eighteen. Jaime works with gouache and acrylics to create illustrations inspired by childhood memories of her family, as well as movies, art, and the outside world. The sun, the moon, the sky, and stars are her favorite things, which is why they always appear in her artwork.

Received this today and couldn't wait to read it. I'm a grandmotherly age, although I don't have any grandchildren yet. I listened to Ainsley (if I may please call her that) talk about her father and this book, including her reading from it, on Fox and Friends the day it was released; and I immediately, before the show ended, went to order it. I knew I wanted to have this on my shelf ready to read to my grandchild or grandchildren if I am lucky enough to be blessed with them. I love to read it and look at the beautiful artwork (by Jaime Kim) - so sweet, soft, and lovely; so fitting for Ainsley's words. The poetry is so lovely and will be wonderful to read to a child over and over again. Note that it is appropriate for boys or girls; no gender is mentioned. What a loving, beautiful tribute to her daughter. This book is full of the love a mother feels for her child and the words of wisdom, love, and hope we want to pass on to our children and our grandchildren - A mother's dream. Well done, Ainsley; and thank you for this gift.

I bought this book tonight and read it to my fourteen year old granddaughter. She smiled. This is a wonderful book to share with those you love.

Ainsley Earhardt is one of the classiest ladies in news right now. Add to that, she is a godly woman, a beautiful lady, a southern belle, and a wonderful mother. We need more women like this writing children's books. This book is a beautiful example of a wonderful woman pouring out examples from her own childhood and illustrating those ideas into an encouraging book of faith, hope, and dreams for our children. What a lovely book to read to your children. This will be a favorite at bedtime around our house for years to come! Thank you, Mrs. Earhardt for this work of art. It has truly blessed our family. I highly recommend this precious book.

What a beautiful book; beautifully written and beautifully illustrated. It truly expresses the love and hopes a mother has for her child. It is the perfect gift for an expectant mother, a new mother, or a mother of any age.

Absolutely the most wonderful child's book I have encountered. The prose is beautiful and the illustrations are absolutely wonderful. You will not go wrong in ordering this book it will be a hit with you and your children. Congratulations to Ainsley Earhardt for a positive hit.

What a gorgeous book I bought for my Godson. It is so full of heart and faith. Moved me to tears! It is a book written with love.

I have two copies that I'm giving as Christmas gifts. Just flipping through the pages, I am amazed at how beautiful the graphics are. Based on the sheer beauty of the illustrations, I can't recommend this book enough.

Wow, a very wonderful story with beautiful illustrations. A great gift to send to families as we begin the holiday season.
