Catherine Coulter CD Collection: Eleventh Hour, Blindside, And Blowout

Synopsis

Eleventh Hour: When FBI agent Dane Carver's twin brother, Father Michael Joseph, is brutally murdered in his San Francisco church, husband-and-wife agents Lacey Sherlock and Dillon Savich take a personal interest in the investigation. Then Nicola "Nick" Jones, a homeless woman and the only witness to the shooting, is scared out of her mind because she is trying to hide from her own monsters who are drawing closer and closer.

Blindside: When six-year-old Sam Kettering is kidnapped and then manages to save himself, Savich and Sherlock join his father's former FBI agent Miles Kettering to determine why Sam would be abducted and brought to eastern Tennessee. Though the local sheriff, Katie Benedict, catches up with Sam before the kidnappers do, the case isn't over not by a long shot.

Blowout: A long weekend in the Poconos is cut short when Sherlock and Savich are helicoptered back to Washington to lead the investigation into the brutal murder of a Supreme Court Justice. Savich allows Callie Markham, an investigative reporter for the Washington Post, to partner with local Metro Police liaison Ben Raven, since she's got the inside track she's the stepdaughter of the murdered justice.

Loved all the stories. They were well written with great characters. Didn't figure it out until the end.

Highly recommend.

Love her series and the characters.

Awesome

Good buy three books in one. She is a fun author and the three books are pretty good and I would buy again.

I was a little bored with all three stories. Slow, slow, slow. Good description of characters. Seemed like in every story there was a love connection.

I enjoy the working relationship the couple have. The plots. Well written. Enjoy audio. love to read but it is nice to relax let the CD do the work and enjoy a GOOD Plot.

Love these Books on Tape.

addicted to audio books and love the author! great set and I can't wait to listen to more of her stuff!
