# Maine's Covered Bridges (ME) (Images Of America)

## **Synopsis**

Maine once had more than one hundred covered bridges. Only seven of these bridges remain today, but the photographic record of the others is surprisingly complete. Maine's Covered Bridges offers views of these structures that once graced the state's roads and railroads, many of them in the Oxford Hills and Western Mountains regions. All of Maine's major rivers-the Saco, Androscoggin, Kennebec, Penobscot, and Aroostook-and even smaller rivers-including the Presumpscot, Ossipee, Little Androscoggin, Ellis, Sandy, Piscataquis, Narraguagus, and St. Croix-had a covered bridge.

## **Book Information**

Paperback: 128 pages

Publisher: Arcadia Publishing (September 8, 2003)

Language: English

ISBN-10: 0738512710

ISBN-13: 978-0738512716

Product Dimensions: 6.5 x 0.3 x 9.2 inches

## **Customer Reviews**

Photographer and historian Joseph D. Conwill has been interested in covered bridges since 1966. He has seen every covered bridge in North America, including nearly two hundred that no longer exist. He is editor of Covered Bridge Topics, the quarterly magazine of the National Society for the Preservation of Covered Bridges. His photographic work is included in various collections, including the National Archives of Canada.

My uncle found this book in a bookstore one day. To my family's surprise, it was a picture of us on a family outing. My Dad is driving and my mom beside him...the horse's name was Dee Dee's Dream and was a former race horse. there were four other horse and riders behind the wagon. The picture was not staged...talk about being in the right place at the right time. I love this picture!!!

I bought this book as a Christmas gift for my grandson. It is an excellent review with excellent pictures of old and present covered bridges. Anyone interest in Maine bridges will like this book.
