Customer Reviews

This is a good children book on The Hippo Hop. All of the stories, pictures that my kids need to know

about The Hippo Hop are already included and well written inside. Michael Gordon has done an incredible awesome job in compiling and creating this book .This book is very informative, useful and well guided.This book is really a great resource for those children who want to learn more about The Hippo Hop.

A good story with a good reading rhythm and a feel good message. The illustrations are cute and colorful, but the text and the corresponding images are not on the same page. This is a solid flaw in a picture book.

This book is awesome. I bought it for my kids and we really enjoyed reading it. Also my kids learned a lesson a from it. Overall, I highly recommend it. Thanks Micheal.

I love this book!

Five stars? Is that all I can give? Really, this book deserves so much more.The techniques provided on these pages, as well as the suggestion it gathered, are worth far more than five stars and I would consider this book to be a great bargain at twice the price. Keep up the excellent work,Michael Gordon.Highly recommended.
