Helen Adams Keller (1880-1968) was an American author, political activist, and lecturer. She was the first deaf and blind person to earn a bachelor of arts degree. The story of how Keller's teacher, Annie Sullivan, broke through the isolation imposed by a nearly complete lack of language, allowing the girl to blossom as she learned to communicate, has become known worldwide through the dramatic depictions of the play and film *The Miracle Worker*.

Since childhood I have devoured every book I could find about Helen Keller. This dvd was the frosting on the cake.
