There are many "one sentence" secrets that give the essence of the teaching in only one sentence. Master Sha includes many practices, mantras, meditations, and blessings. Every day I am becoming more and more aware of the challenges that humanity is experiencing. I feel you are too. What can we do to help one another and ourselves to not just survive these challenges, but to transform these challenges. What can we do to soften this purification that humanity and Mother Earth are experiencing. I have found the answer in The Power of Soul. I see The Power of Soul as a go-to guide to help people at this time to heal themselves and to transform all aspects of their lives. The techniques are very simple and practical because they are taught in one sentence secrets. The techniques are very powerful because they apply soul power. Dr. Sha teaches how to use the power of soul to heal, to prevent illness and disease, to rejuvenate, to transform your relationships and finances and more. The Power of Soul reveals the wisdom to all who are wanting a powerful way to help themselves and others through these challenging times. If you are looking for a way to bring love, peace and harmony into your life, I highly recommend The Power of Soul. If you feel there is something is missing in your life, I especially recommend The Power of Soul to help you find that which is missing.

Another great book from Master Sha and the Divine!! As many in the new age/metaphysical community know, the veils are thinning rapidly, as this occurs we have access to higher and higher levels of our Souls. Many are being made aware of this through synchronicities, intuitive guidance and daily occurrences... this book is a great resource and exercise book to greatly assist all in connecting on a more conscious level with their souls so their lives can flow more gracefully and be a greater reflection of their souls expression. This book explains the role Karma plays in our lives, the

infinite potentials of our souls to heal, rejuvenate, transform and enlighten all aspects of our lives on all levels as well as practical guidance on how to communicate with all souls in all universes!! What could be more valuable at this time in our ascension process!. Master Sha is an unconditional universal servant who has been given the honor to clear personal and ancestral karma, enlighten our souls and much, much more...I highly recommend you go to [...] and learn more, these are opportunities all souls are eager to grab...don't miss them!! Love Rick

I have read several of Master Sha's wonderful books and in each one he emphasizes the importance of daily practice. And, so, I endeavor to practice his teachings every day. Until three days ago when I caught a cold. I had been reading the Power Of Soul which explained how to give a Soul Order. I chanted the soul order to heal my cold about 10 times, but, feeling lousy from the cold, I stopped. I decided to rest instead. The next day I felt slightly better, I chanted a few more times and sang some of Master Sha's Soul Songs...for maybe 5 minutes. This morning I felt a little better but still had sinus congestion and a deep cough and felt slightly dizzy.. I chanted for about 15 minutes. It is now after 4:00 P.M. and I am happy to say that my sinuses are clear and my cough is gone. Plus I feel rejuvenated! All this in just 3 days. Oh, and I usually have a cold for 7 to 8 days...not 3 ! So, How do you get to Spiritual Carnegie Hall? Practice! Practice! Practice! It's a great way to stay Healthy. too!
