Customer Reviews

This book is wonderful!! My 4 year old and 1 year old both enjoyed it..everyone loves Fiona the hippo!!

My son, Bo has been so crazy about Fiona every since she was born. He's just speechless every time I play a video with her swimming around. We had been looking for something and this activity book has been perfect from cover to cover, lots of fun child-friendly activities that he's enjoying. I just don't know how the artist created that watercolor front cover but it's just beautiful!

This activity book is spectacular! I recommend it to anyone who has children who would benefit from the fun and educational activities in this book, or anyone who is young at heart. The cover art is phenomenal, and there is so much to enjoy in the book's contents. As someone who is a fan of Miss Fiona, this is must-have!

I Cannot say enough about this activity book, I purchased for my grandchildren. They really enjoyed the cover and the clever games and puzzles. We learned so many fun facts about this little amazing

and now fabulous hippo. The price can't be beat!

Adorable activity book! I bought it for my 3 year old and she loves it.

Fun activity book for school-age children.
