Spectrum Geography, Grade 3: Communities

Synopsis

Winding through purple mountains majesties and amber waves of grain, the standards-based Spectrum Geography: Communities for grade 3 guides your child's understanding of landforms, oceans, rivers, communities, the environment, and more using colorful illustrations and informational text. Spectrum Geography is an engaging geography resource that goes beyond land formations and maps; it opens up children's perspectives through local, national, and global adventures without leaving their seats.
