Gangsta Rap Coloring Book

Synopsis

The title says it all. Break out the crayons, 'cause it gangsta rap coloring time! 48 pages of line drawings of "Gangsta" rappers, done with the thick black line we all remember from the coloring books of our youth. The juxtaposition of the outlaw image of the rappers with the childlike innocence of a coloring book makes for an instant laugh.

"The funniest thing I've seen since Bringing Down the House."

Aye Jay Morano is the author and illustrator of The Gangsta Rap Coloring Book, The Heavy Metal Fun Time Activity Book, The Punk Rock Fun Time Activity Book, and The Country Music Fun Time Activity Book. He co-authored 'The Rest is Up to You' with his son Cohen.

bought this for my secret santa and she loved it.

It's a really good present for anyone you want to troll who likes rap. Though for ten dollars a lot more should've been given than just shy of 50 pages.

My boyfriend is stuck in 1992, all he listens to is Gangsta rap. So his nickname is 92'. So when I came across this coloring book, I knew it was the best birthday gift I could ever give him. When he opened it up our was like he was a kid again. He was excited, flipping through the pages and

decided which rapper he was going to color first. May Gangsta Rap never die unless it's gets a cap to the @\$\$! Now that's Gangsta!!!

From the cover I thought it would be random gangster image of items, like the gun see through with the magazine and just random things like that, but instead it was images of gangster rappers....that's no fun

I bought this as a total joke for my son's 16th birthday and do you know he carried it around and colored almost every page in different shading methods etc. NOT appropriate for small children that can read, well not appropriate for children at all. BUT my zombie loving newly driving teen thought it was the coolest gift he got! He took it to school and the art teacher even asked for information so she could order some for her teenagers in art class!

Great title which got me interested but wish there was more variety inside to color. Some cool guns would have been nice, some cool gangster cars, etc... not bad but could have been better.

This has got to be one of the funniest things I've ever seen. I got it for my brother as a gag gift and he loved it. It became a huge hit around his apartment. If you are a child of the 90's, this has all of the well known hip-hop/rap artists of the 90's on up. Ice T, Ice Cube, Snoop Dogg, Tupac, and so many others. For the price and for the amusement, price, and sheer originality, it has to be one of the better purchases I have made.

I know this product has gotten mixed reviews, but I love it! I got it for a stocking stuffer 'gag gift' for my husband. and I'm sure he will love it too!
