Customer Reviews

I chose this rating because my experience was excellent. I have like everything about this product since it came as described and came quickly. I would recommend this product to everyone.

It has the episodes called "Emotional Baggage" and "Waylaid in the Windy City, Part 1 and 2". The latter is a bit intense and has a familiar villian in it. Over all a very good Album to buy!

It's Odyssey, the whole family loves it! Put it on in the car and the kids minds a forced to create the characters in their head, while at the same time learning Bible stories. My kids are 3,5,6 and they all love it.

BACK TO BETHLEHEM, PARTS I-III
Faith/The Story of Jesus' Birth
Connie discovers that the first Nativity wasn't what she thinks it was when she and Eugene take a trip back to first century Bethlehem in the Imagination Station. Connie goes to work at an inn in Bethlehem and Eugene

encounters an old prophet who thinks a mysterious star is the sign of the coming Messiah. While they find themselves in the middle of a clash between the Romans and a radical zealot at the inn in Bethlehem, something unusual happens in a stable nearby. **MELANIE'S DIARY** **Empathy** **Robyn Jacobs** learns a hard lesson about the pain of embarrassment when she reads her little sister Melanie's diary. **SOMEONE TO WATCH OVER ME** **God's Protection** **Jimmy Barclay** goes on his most incredible adventure ever when meets an unusual gentleman named Mr. Nagle. **THE SECOND COMING** **The return of Jesus** **Melanie Jacobs** becomes convinced that she knows the exact day and time of the return of Jesus. **EMOTIONAL BAGGAGE** **Grudges** **Connie** starts behaving strangely when she learns her aunt is coming for a visit, and Whit uses a rather unusual game to show her what a grudge is doing to her. **ISAAC THE PROCRASTINATOR** **Procrastination** **When Isaac Morton** keeps putting off doing his work, Whit comes up with a way for him to get the job done -- now! **WAYLAID IN THE WINDY CITY, PARTS I AND II** **God's control/The folly of revenge** **During a trip to Chicago, Whit and Connie** get caught up in an amazing and perilous mystery involving a portable computer, the Defense Department, and some familiar -- but not very friendly -- faces. **LAST IN A LONG LINE** **Family heritage** **Eugene** makes an amazing discovery while walking through an old cemetery -- the tombstone of his long-lost father. **THE HOMECOMING** **Forgiveness** **Odyssey** is in an uproar when Richard Maxwell comes back to town for the most unlikely--and very surprising--reason.

Entertaining for all ages. Rich with spiritual lessons. Waylaid in the Windy City is a particularly exciting installment to the series!

Like all *Odyssey* this is a great product. My children listen to it in their play room, in the van or at times before going to bed. I prefer them to listen to a show rather than watch T.V. since they have a tendency to get wired if they watch T.V. before bed. With this, they learn to listen, learn morals and relax. It's perfect and worth every penny you spend.
