Wild Mustangs: A Short Account Of The Feral Horses In America (1841)

Synopsis

Charles Smith Hamilton (1822 – 1891) was a career United States Army officer who fought with distinction during the Mexican-American War. He also served as a Union Army general during the early part of the American Civil War. In 1841, Hamilton published the book "The Natural History of Horses." A chapter of this book--- on feral horses in America--- has been excerpted here for the convenience of the reader. Hamilton in his life in the U.S. Army in the Mexican-American War would have had frequent opportunities to observe the wild horses of the American West and brings this first-hand knowledge to bear in his discussion of feral horses in America.

Book Information

File Size: 336 KB

Print Length: 10 pages

Publication Date: January 18, 2017

Sold by:Â Digital Services LLC

Language: English
