Customer Reviews

Adventures in Odyssey are the best! I listened to them growing up and now with my daughter. Great stories, include God and the bible in everything. "Train your child up in the way they should go and they will not depart."

I chose this rating because my experience was excellent. I have like everything about this product since it came as described and came quickly. I would recommend this product to everyone.

"It's Another Fine Day" is another fine AIO album. :) This one has the 2 part episode of "Bernard & Esther" - the story of Queen Esther. "Coming of Age" a few other Episodes may need Parents to hear it first.

excellent

My kids love Odyssey! Two boys, 10 and 11 years. This particular CD has more mature material in it. Subjects such as divorce and puberty. Make sure you are ready for your kids to hear this one.

As always this is another great series that our whole family loves to listen to again and again.

MUCKRAKER (Responsibility) Lucy's "nose for news" leads her to what she thinks is a great story -- until the whole truth comes out. WHERE THERE'S A WILL... (Understanding God's Will) A possible job change for George sends the whole Barclay family in search of the will of God. BY DAWN'S EARLY LIGHT (History: The Star-Spangled Banner) During an incredible voyage in the Imagination Station, Curt and Lucy witness one of the great moments in our nation's history in the War of 1812. HOME IS WHERE THE HURT IS (Family Relationships) A crazy scheme to get out of math homework causes Curt to unintentionally reveal something about his family that he'd rather keep hidden.... AND THE LAST SHALL BE FIRST (Parable of the Workers) Whit has a labor dispute on his hands when he asks the kids to help him clean up around Whit's End. THE MEANING OF SACRIFICE (Sacrifice) After hearing a sermon on sacrifice, the Barclay family decides to give it a try by giving up something near and dear to them -- television. MAYOR FOR A DAY (Civic Responsibility) Curt wins a contest to become the city's most powerful official for 24 hours. Will Odyssey ever be the same? COMING OF AGE (Adolescence/Growing Up) Jimmy Barclay finds his old family vacation journal and starts writing about a whole new journey -- into the land of adolescence. A DAY IN THE LIFE (Discerning the truth) Whit writes a short story about the people of Odyssey, and a film company from Hollywood decides to turn it into a movie. A RATHBONE OF CONTENTION (Folly of Taking Short-Cuts) Rodney Rathbone causes lots of problems for the kids at Whit's End, while his father, Bart, causes lots of problems for Whit! BERNARD & ESTHER, PARTS I AND II (Obedience/Biblical History: Esther) Bernard Walton brings the story of Esther to life for Robyn and Melanie Jacobs. Palace intrigue, deception and double-crosses are the order of the day. Plus all-new BEHIND-THE-SCENES bonus material... *Interview with Phil Lollar about "By Dawn's Early Light" *Cast and crew interviews about the story behind "Coming of Age" *Live Q & A with the actors *Behind-the-scenes color booklet

Another great addition to the Odyssey series! The series is a top-notch family resource. Riveting for all ages!
