# Eggshell Mosaics

## Synopsis

Break an egg--create a masterpiece! No one will believe that these beautiful mosaics were done with eggshells. All the secrets to this great new art--created by author Gail Dziudza and written up in Family Circle magazine--are revealed here, with eye-opening illustrations to show how they can transform everything from switchplates to purses. Find out how to paint the eggs, crack the shells, adhere them to surfaces, and add a durable finish. The projects include pins and pendants, tabletops, frames, mirrors, and vases. And just in case you need a little "egg-stra" help, there are special tip boxes throughout.

## Book Information

## Customer Reviews

This is a great super book,Excellent pictures and projects..so many ideas..who would have thought you could use eggshells to mosaic .i had to give up glass cutting and mosaic tiles hen i downsized and moved into an apartment and do miss it..now i can do it again and not have glass shards...very pleased

This was very helpful in helping me understand how to work with eggshells and the versatility in art.

Great book!
