Customer Reviews

I got this book for my sister who is an amateur musician, and so far she's been quite pleased with it. The book does a great job at explaining the basics of song writing, and provides many valuable tips and tools which will make things much easier for you as a beginner. I definitely recommend it to any novice musician who wants to get better at writing lyrics.

I really dug this book. As an aspirant songwriter, the formulas made me feel more creative. This book helped me organize thoughts, and understand lines, rhymes, rhythm and motion. So instead of working in a vacuum, you have tools to keep you going and say what you want to say. There are so many interesting ideas and concepts in this book. This book is an outstanding value, recommend to anybody who is serious about songwriting.

A songwriter is an individual who writes the lyrics, melodies and chord progressions for songs, typically for a popular music genre such as rock or country music. A songwriter can also be called a composer, although the latter term tends to be used mainly for individuals from the classical music genre. This book is providing a great help for everyone those who are interested in song writing. it teaches How to define our topic and genre, The parts of the song, How to work with collaborators, How to use our five senses, How to rewrite a song, how to Learn best practices from famous songs, and also the authos has provided Proven secrets to write songs that stick. and maany useful information. This is a useful guide book for beginners. Inspiring.
