"Presents a diversity of explorations including Indian ruins, ghost towns, lost mines, and artist's colonies."-The Los Angeles Times

Enjoy a welcome change of pace and discover a world you may not know exists in your own backyard. Day Trips® describes hundreds of fascinating and exciting things to do, many free-of-charge and most within a two-hour drive of Phoenix, Tucson, or Flagstaff. View a bald eagle's nest, Native American ruins, and sandstone cliffs while riding on the Verde Canyon Railroad in Clarkdale. Feast on a chuck wagon supper and watch staged gunfights at Rockin' R Ranch, Arizona's Wild West town in Mesa. Bathe in tiled Roman-style tubs and enjoy a massage at the Kachina Mineral Springs Spa in Safford. Take a guided hike to Keet Seel, Arizona's largest cliff dwelling, in a remote canyon at Navajo National Monument. Each Day Trip Includes Travel directions; destination highlights; other places to visit along the way; choice restaurants and lodging (including price ranges); shopping.

Great little book that gives you ideas for things to do and explore if you don't know the area. It has decent recommendations of not only what to see but the prices involved and the difficulty in getting there. I used it several times on my trip, along with another book. Well written and concise.

We got this book to take our family on day trips out of Phoenix. It is well organized and easy to use. We have young kids and there are not a lot of activities for little kids but a little extra research can easily fill in the blanks. This book is worth getting for exploring different things to do and see in Arizona.

Used this book for many of the days we spent in the Phoenix area. I loved the way it organized day trips for you. The directions are perfect and descriptions accurate. This would be the one book I'd pick if I were going to choose a book again. I was saddened by the things listed we were unable to do because of lack of time! Also, I learned that Arizona is huge! Being situated in Phoenix, the Tucson and Flagstaff day trips would take a half day to get to. And, of course, I wanted to do some of them so badly, I will be going back and taking this book with me!

Good book.

I live near Phoenix and have been looking for ideas for 1-3 day trips, and this book was perfect. We've done a couple of the trips already.

Perfect book for my next year in AZ!!

Very well-written resource with practical details. I bought this for my folks who recently bought a winter home near Phoenix & now I think I should buy a copy for myself so I can "study up" before I visit them!
