Customer Reviews

Founded in 1947, Hal Leonard LLC has become the worlds largest print music publisher, representing some of the greatest songwriters and artists of all time. We are proud to publish titles of interest to all musicians as well as music lovers, from songbooks and instructional titles to artist biographies and instrument price guides to books about the music industry and all the performing arts.

This book has many of the old favorites that is sung by Protestant churches every where. A few of the songs are Amazing Grace, At the Cross, In the garden, Just as I am, Old Rugged Cross, Rock of Ages just to name a few. I would say that this book is Intermediate level piano. Cords are listed above each song for piano and guitar. The great thing is that the words are within the stanzas so you can sing an play at the same time. I have not played from this book yet, because I prefer arrangements for these old songs in new arrangements. I would think that this would be a very good book for church gatherings. Since it is a Hal Leonard book, I would say it is very adequately

arranged in the standard church music setting.
