Founded in 1947, Hal Leonard Corporation has become the worlds largest print music publisher, representing some of the greatest songwriters and artists of all time. We are proud to publish titles of interest to all musicians as well as music lovers, from songbooks and instructional titles to artist biographies and instrument price guides to books about the music industry and all the performing arts.

The book's so darned big that it keeps flopping over on my keyboard, and even when it's upright it's near-impossible to turn the pages. Why don't they make these things with spiral binding? I do like the music and the arrangements. They seem tailored to an early intermediate like me.

I am so pleased with this collection of Broadway songs... It's just perfect, and exactly what I was looking for. Shipping was fast, and the product arrived in mint condition.

Bought for my daughter as a Christmas present since it was on her wish list. She has two music degrees and teaches voice in her home. She swears this is the most comprehensive Broadway collection around, and she was thrilled to get it.

Wonderful collection!

Love, love, love this book of Broadway songs. It is missing a couple of songs I would like it to have such as "This Is My Beloved" from Kismet. I guess it's a way of getting me to purchase the book of Broadway songs that has the song. The more music books I have, the merrier. Thank you!

OK

My singing teacher, who has hundreds of music books, was especially impressed with this one. It's one of my favorites.

I would have given this five stars but it didn't include "Music of the Night" from The Phantom of the Opera, although it did have another song from that show.
