15 Easy Folksong Arrangements: Low Voice Introduction By Joan Frey Boytim (Vocal Collection) Bk/online Audio

Synopsis

(Vocal Collection). This collection is designed for those students, of any age beyond early teens, in the early stages of voice study, although the arrangements are so satisfying that more advanced singers will also enjoy them. The ranges are modest, and songs have been chosen for both genders. The new arrangements are lovely, fresh and interesting, but keep the simple vocal line in the forefront. The piano accompaniments were deliberately designed for an intermediate level player. The recordings include beautiful performances of each song by professional singers to be used as a learning tool, and a piano accompaniment track for practice. The recordings are accessed online by using the unique code in each book and can be streamed or downloaded according to your personal preference. Joan Boytim, the leading American expert on teaching the young voice, has added a preface about how to use these songs in the studio. Highlights: Barbara Allen * I Gave My Love a Cherry * Johnny Has Gone for a Soldier * Shenandoah * The Streets of Laredo * The Water Is Wide.

This is a very nice collection of folk songs. I already had the high voice collection and purchased the low voice edition for a new voice student. She is fifteen, enjoying these songs, and progressing in her technique. The accompaniment CD, which is included, makes practice sessions easier for students and this collection an excellent value.

Great songs

I absolutely love this book. I had it years ago and lost it. I recently found out the title of the book again and am buying another copy.
