My son loves this series - good book!

My son doesn't like to read. He saw a friend with this book and he is begging me to read to him. Very simple to follow plot, short chapters, and fast moving.

as expected

My second grade son loves every one of these books!

Very good quality.

Really good. I wish I could read it every day but I have to go to work every day so yeah.

Great summer reading for my seven year old son. He loves these books and we just got back from the beach so this is an appropriate addition to his collection.
