Founded in 1947, Hal Leonard Corporation has become the worlds largest print music publisher, representing some of the greatest songwriters and artists of all time. We are proud to publish titles of interest to all musicians as well as music lovers, from songbooks and instructional titles to artist biographies and instrument price guides to books about the music industry and all the performing arts.

Bought this for my college music courses and could not be happier! I love the amount of space between staves and there is minimal bleed-through despite sometimes using thicker gel pens, markers, and highlighters on the pages. I love that it comes pre-hole punched to fit into binders (my professors all require us to use binders so it keeps all my papers together nicely), and I haven't yet managed to accidentally tear out a sheet. 10/10 would recommend.

Very nice paper.

So simple it's great. Use a lot of this as a composer and a student, completely satisfied with the paper.

This is a good manuscript paper. It is a normal, printer sheet size so easy to copy. If I had a wish, I'd want the distance between lines in the staves to be just a bit wider. These might be a little small for reading in some conditions. But it should be okay.

perfect for the music major

Good paper. I don't really mind the logo at the bottom at all.

Just right for writing music.

Beautiful 10-stave paper! and it's double sided! definitely worth the money
