## Customer Reviews

One of the leading authorities on fashion history, Tom Tierney created over 150 paper doll books for Dover Publications. With subjects ranging from U.S. Presidents to popular movie stars, Mr. Tierney's books are famous for being carefully researched and meticulously rendered. His releases are prized by fashion professionals, collectors, and paper doll lovers all over the world.

This is an absolutely gorgeous set of paper dolls! There are three dolls. Two ladies and one gentleman. There are 14 ball gowns for the ladies. Only one outfit for the gentleman but I don't mind that since the name of this set is, " Southern Belle Ball Gowns." This is a very nice set from Tom

Tierney. Although the dolls do not have stands per se, they do have a foldback feature that helps them to stand up and instructions for making a brace. Also included is a paragraph or so about each gown. This lovely set is well worth the seven dollars that I paid for it.

Tom Tierney does a great job with his books. He does the research for me when it comes to costume design for stage productions.

Gift for my niece and hope she'll like it!

These paper dolls are really lovely. The costumes are historically accurate and incredibly detailed. The publisher also includes notes about the clothing and the period. While these are really nice for little girls to enjoy, adult help will be required, as some of the outlines are rather intricate, requiring cutting carefully around lace edges or accessories.

My girls love these dresses and the details. Very fun and sweet activity

Great

The dresses and people in this book are well drawn, and there are numerous dresses for both girls! I was a little disappointed with the condition that my copy arrived in but otherwise I am satisfied with the product.

Love it
