Customer Reviews

Uzi is one of the key members of WUFC, one of Europe's most famous graffiti crews.

Great graffiti, especially some. I wish graffiti was not back to back on each page but one graffiti per page so that when you draw in with markers, it doesn't go through unto another graffiti drawing.

Other than that, well made and great graffiti words.

Ordered this for one of my 5th grade students who loves to draw -- albeit during class. He loves it!

Great book for a child learning to use graffiti colors. Nice thick paper and many sheets. Only downside, front and back have design, so permanent marker may bleed.

trash

Son loves it.

Great images. My students love this.

Loved them! Worth every penny!

very happy with this hard to find coloring art book, will definitely be back to purchase more products.

Thanks again
