Leisure Arts is a leading publisher and distributor of "how-to" and lifestyle publications with emphasis on creative crafts, needlework, decorating, and entertaining. Leisure Arts is located in Little Rock, AR.

This is a beautiful little book of Knit Prayer Shawls--most of them being intermediate and experienced. They show the person who made the shawl and the person who got gifted with the shawl. There is also some nice little sayings regarding the shawl expressed to the recipient. Most of

these shawls are quite intricate looking and very original. And they are used for friendships as well as for Prayer Shawl Ministry. Also the person who knitted the shawl tells the type of yarn that was used. (i.e. Fine Weight Yarn; 3.5 oz., 330 yards) 2 skeins; 24" circular knitting needle, size 8 or size needed for gauge. So this little book of 15 Prayer Shawls tells you exactly what supplies you will need for each project. Quite a little treasure trove. JM

I had borrowed this from the library, and even renewed it, so had it for a total of 6 weeks. That meant I needed to include it in my personal library. I've only made one of the shawls so far, but hope to end up making most of them.

I gave it as a gift and my cousin and she is in love! She did get a little snittish when I told her prayer shawls aren't sold. They are passed from one person to another. After a bit she calmed down and learned the true meaning of a "Prayer Shawl". Now, she is quite happy.

Excellent choice of patterns primarily for intermediate knitters. May be a little too complicated for beginners. Clear, easy instructions made for wonderful variety of shawls. I have made several of the patterns (2) to (3) times each as they were so beautiful.

Exactly as reviewed. The size and spiral binding invites portability and the durable cover and paper pages will hold up to frequent use. Bright, colorful pictures will spark your creative nature. These patterns offer a wide range of options to meet your style, skills, fashion needs.

I was dismayed with missing sections of pattern I wasn't able to complete. Also wrong instructions for pattern. Not happy.

I liked the variety of styles of prayer shawls presented. For me the book was mainly to get style ideas for shawls and learn new stitches as I don't count myself to be an experienced knitter. This little book will be a handy reference for future knitting, and I recommend it.

This is a good instruction book; covers all levels of expertise. The directions are clearly written and the pictures are excellent as a visual guideline.
