Inside The World Of Board Graphics: Skate, Surf, Snow

Synopsis

Inside the World of Board Graphics takes an in-depth, comprehensive look at the global nature and cultural influence of Surf/Skate/Snow board art and design. International design luminaries Art Chantry, Katrin Olina and James Victore are placed along side industry super stars Terry Fitzgerald, Martin Worthington, Yoshihiko Kushimoto and Rich Harbour (who has been shaping and designing surfboards since 1959). The book includes dozens of interviews and profiles from the people currently creating board art and design: Aaron Draplin, Emil Kozak, Morning Breath, Anthony Yankovic, Haroshi and Hannah Stouffer to name a few. There are many books about the art of board design, but there has never been a book like this that takes a rare look behind the scenes of the creative process. Fantastic great book for spray ideas and a great read there is some very very talented people out there . Love it hope there's more to come

I know I bought this used but the seller said it was, "like new." When I received the book, there were library barcodes and dewy decimal system stuff all over the front and spine. I still enjoy the book but the seller should have made notes about these in the description. The book however, I give 4 stars. Fun stuff.
