Yu-hsuan Huang, also known as Smallx2, is an illustrator and artist from Taichung City, Taiwan, where she lives with her family and cats.

Very cute book - it's our second Yu-Hsuan Huang finger puppet book, actually. You can absolutely go to your local TJ maxx and find cheap versions that are just written songs (which I personally hate), but this book is actually a BOOK, and is sort of informative about each animal it's about! My daughter (4 months) loves grabbing for the finger puppet animals as I'm reading, and tries to eat them every time!

9 month old boy loves it!

This is one of the most adorable picture books I have seen. I know my grandson is going to love the finger puppet as it makes the story really come to life!

My niece likes elephants. She likes to feel the soft fuzzy nose.

My son loves this book! Always smiles when I read it and likes to flip pages on his own too.

The book is as I thought it would be, the pages are slightly hard to turn.

adorable board book with fuzzy elephant finger puppet :)

So sweet!
