Customer Reviews

Very simple book with limited text and finger puppet that is attached. Using your index finger you bob the bat's little head. Very cute. (I would've given it 5 stars but the book arrived with a larger black marker dot.)

This is a cute, simple book about a bat. It is a hit with my preschool storytime group. They love, love, love the bat finger puppet! They all want to touch it after the story.

Such a cute little book. I am a huge fan of bats and I just had to get this for my son. It is so adorable and he gets a kick out of it when I read it to him and use the puppet part to "kiss" his face.

My son loves this book and thinks the bat (my finger) is hysterical.

I buy this for all the babies I know and it's a unanimous hit!

It was a gift for my one year old niece. She seems to like it. I think the whole series of books are very cute. The pages are sturdy, and the finger puppets are adorable. Great book for a small child.

Very cute little book. I like it a lot.

Cute little book
