Great books! We have almost all of them. My almost 3 year old loves them, especially *Charlie Goes to the Doctor*.

Great story and good author!

Great for assigned reading at home, and make great little gifts.

Great book to read for the kids!

My kids won't set the book down. I have always liked all of Ree Drummond blogs and books so this book was a must get item for my reading books collections. Charlie is a lazy dog that loves bacon and she puts a sense of humor in these stories. Short sentences for easy reading child can feel very successful quickly by reading page after page easily.

I bought this for my Kindergarten class as I have fallen in love with Charlie the Ranch Dog. I try and buy all of Ree Drummond's Charlie books.

Bought 4 for my Grands!

The story is very simple and easy to read for beginner readers. I bought this as a Christmas gift for a boy who loves dogs and snow. It was a simple reading book and the colorful pages draws the child into the story even more. He laughed at the story and really liked it very much. I would recommend this story for every child who is beginning to learn to read.
