Customer Reviews

I bought this book as a gift for a child age 8. It made it easier for me to show how to fold the paper and a basis for working alone

Although there aren't lots of designs to choose from (15) they are well-chosen with full-color pictures and easy directions. Includes hats, gliders, snapping mouths, jumping frogs, poppers, pinwheels, beads, star box, balloons, lilies and more. I borrowed it from the library to show my kids, but I'm buying a copy to keep.

In good shape but "used" with a persons name written on cover and inside! It was in pretty decent shape but I should have been told that a person had written their name on cover and on the inside title page. Not good!
