Dinah Williams is an editor and children's book author. Her book, *Spooky Cemeteries* (Bearport Publishing) won the Children's Choice Award in 2009. She lives in Cranford, NJ.

Not a lot here for adults. I guess it's aimed more at kids than adult Disneyfans/mousejunkies. It's well presented, sturdy and lovely to look at. But there's not a lot of content (large print, lots of illustrations) , and for any Disney World fan there's little new here and not much in the way of "secrets". The author does have enthusiasm and a real love for the parks. It's only \$8, tho, and would be a nice gift for a kid who is making their first trip to Disneyworld. It'll get them even more excited and allow them to blurt out some cool trivia as they go along. Not for the true Disney trivia fan.

This little books of fun facts & interesting things about Disney World is great! I would recommend it to anyone who has been to Disney World, anyone one who hasn't been there yet, anyone who is planning a trip there soon, or just anyone that is a fan of some of the history & stories of Disney World. The book is in excellent shape & very easy to read. It was wrapped good for an excellent delivery.

I love the information that the book had to say about each of the Disney World parks. It gave you some facts, history, and OMG'S along the way. This is a must have for all.

This has a lot of nifty statistics in it about the parks. A great Pre-Trip read with your tiny princesses and princes! Or Disney-fied Adults!

awesome book, a little short but really well put together

This book is super cute and colorful and is a great addition to any Disney book collection. However, if you are an avid fan like myself, solely looking for new Disney facts, this book is not for you.

I LOVE IT. You should buy it if you are planning to go to Disney World

My grandson loved this book and the facts about Disney before and after going to Disney this year.
