Customer Reviews

The Reys were born in Hamburg, Germany. Hans Augusto Rey (1898-1977) met his wife-to-be, Margret (1906-1996), at a party in her father's home in Germany; when he first caught a glimpse of her, she was sliding down the banister. In their twenties and thirties they lived in Paris and in Rio de Janeiro, where Hans sold bathtubs in villages along the River. Eventually Cambridge, Massachusetts, became the Reys' home and community. Throughout their lives the Reys created many lively books together, including SPOTTY, PRETZEL, and lift-the-flap books such as HOW DO YOU GET THERE? The manuscript of the first Curious George books was one of the few items the Reys carried with them on their bicycles when they escaped from Paris in 1940.

Eventually, they made their way to the United States, and CURIOUS GEORGE was published in 1941. Their incorrigible little monkey has become an American icon, selling millions of books and capturing the hearts of readers everywhere. CURIOUS GEORGE has been published in many languages, including French, German, Japanese, Afrikaans, and Norwegian. Additional Curious George books followed, as well as such other favorites as CECILY G. AND THE NINE MONKEYS and FIND THE CONSTELLATIONS. Visit www.curiousgeorge.com.

Great book, my grandson loves George and was happy to share his birthday with him!

The book was a great present for my grandson's second Birthday! This colorful board book is perfect for little hands to maneuver. It allows a toddler to "read" on their own and promotes good book handling skills.

Curious George mesmerizes our 1 year old.... Delightfully done.

my great grandson loves Curious George

Birthday Book for my granddaughters 2nd birthday. She loves George.

Love

My daughter loves this book, the tabs make it easy for her to flip the page.

Sturdy book with a cute story!
