Customer Reviews

This is a great starter set. Too hard for my 7 year old daughter, but she really liked the idea and the result. Got the idea from my 12 year old niece who could handle it herself, but its a fun project for parents and younger kids to do together. Plus the book is quite good at explaining how the process works.

VERY NICE "BEGINNER" KIT! ã â â'â•â â â'â•â â â'â•â â â'â•â â â'â• AND QUICK SHIPPING. WOULD BUY AGAIN AND RECCOMEND TO OTHERS.

I have had so much fun making these bracelets, and they're so easy a kid can do them (with adult help - there is fire and melting involved if you want to make them correctly). This kit has enough of everything to make 6 awesome bracelets. I've had tons of fun with it

I gave this as a gift, but helped the recipient do one bracelet. It was easy and turned out so cute. A lot of fun for a craft lover!

Great kit to get started with.

Exactly what I ordered great gift for anyone who likes to make the bracelets

This is good for kids it is not 550 7 strand Paracord i did not read this well before i ordered it

Excellent, exceeded expectations.
