Kid Sitter Basics

Synopsis

Great Babysitters need Great Resources! Presenting an all new, recently updated version of "Kid Sitter Basics" a handy reference for young teens (ages 10-14) learning about the job of babysitting. This book is favorably reviewed by the American Academy of Family Physicians Foundation. Packed with information, this book is easy to read and much better than a typical, boring, how-to book! "Kid Sitter Basics" This book covers everything you need to know to get started safely with babysitting. The topics covered include everything from treating sitting as your first job to basic first aid and CPR. You can also learn about playtime activities, bathing, diapering, bedtime tasks and first aid and emergency guidelines. Many new sections have been added such as kitchen safety, pet safety, illness and the great outdoors. As a bonus, readers can also take a self-evaluation quiz at the end of the book to test their knowledge. Answers are included for immediate feedback. This handy book is written for new and experienced babysitters. Pocket planner (sitter calendar) and pad of forms included with order.

Customer Reviews

"I used to have trouble finding fun activities for the children I babysat, but kids love the recipes and games in Kid Sitter Basics. Mrs. Stuhring's ideas are great! -- Karen V." "If you ever have a question about how to take care of a child, you can just open the book. I cannot believe how much the book tells you." -- Anna P., age 12 "Kid Sitter Basics is full of colorful, funky and fun activities for kids of different ages. This book is much better than a typical boring, how-to book!" -- Annette C. "Mrs. Stuhring has written a book that is very helpful for kid sitters. Thanks to her book, I have learned

skills that will get me a great babysitting job." -- Shelly W."This is an excellent book on babysitting - appropriate reading level and very practical and useful information. All medically appropriate with excellent instructions to deal with problems." -- Health Education Program of the American Academy of Family Physicians Foundation Kid Sitter Basics is full of colorful, funky and fun activities for kids of different ages. This book is much better than a typical, boring, how-to book!" -- Annette C. Kid sitter Basics helped me become a better person by teaching me how to nurture, guide and play with children. -- Josh M. Thank you for taking your job seriously, and learning as much as you can about babysitting. Enjoy Kid Sitter Basics - and your new job taking care of children! -- Celeste Stuhling RN and Glen Stuhling MD, Authors This handbook's compact style and high quality forms eliminates the need for additional handouts. This user-friendly reference provides young people with guidelines ranging from how to get started in the business to accident and fire prevention. The kids love it! -- Susan Higley-Walsh, Overlake Hospital and Medical Center, Bellevue WA

Welcome to Kid Sitter Basics. This handbook is designed to help you become a better and safer babysitter. We've enhanced the latest version to incorporate out many years of medical experience with the most up-to-date practical information. In addition to providing you essential safety information and valuable babysitting tips, it will also help you with the business end of what may be your first job. As a babysitter, you play a very important role in the families you serve! Children often become very attached to their babysitters, and remember their stories, games and tender, loving care for years to come. You may prevent children from being injured or disabled, and might even save a child's life by applying the common sense knowledge and first aid contained in this handbook.
