Customer Reviews

Book by Bulmash

This book series is a very simple considering it is a semester long textbook for basic accounting.

The book itself is fine, just not very in depth if you are unfamiliar to accounting.

good condition

This book has basic explanation of journal entries. If you want deep knowledge it might be not enough. Other than that very easy and clear explanation.

Very good

good.

It was awesome! I learned alot.

As expected, Thanks!!!

thanks
