# A Tale Of Two Cities And Great Expectations: Two Novels

## Synopsis

**A Tale of Two Cities:** The "two cities" are Paris in the time of the French Revolution, and London. Dr. Manette, a French physician, having been called in to treat a young peasant and his sister, realizes that they have been cruelly abused by the Marquis de St. Evremonde and his brother. To ensure Dr. Manette's silence, the Marquis has him confined for eighteen years in the Bastille. The doctor has just been released, demented, when the story opens. He is brought to England where he gradually recovers his health and his sanity. Charles Darnay, concealing under that false name his identity as the nephew of the cruel Marquis, has left France and renounced his heritage. He falls in love with Lucie, Dr. Manette's daughter, and they are happily married. During the Terror, he goes to Paris to save a servant condemned by the mob. Darnay himself is arrested, condemned to death, and is saved at the last moment by Sydney Carton, a reckless wastrel who acts out of devotion to Lucie. Carton smuggles Darnay out of prison and takes his place on the scaffold, declaring "It's a far, far better thing I do than I have ever done before," surely one of the most quoted lines in all the history of literature.

**Great Expectations:** Great Expectations chronicles the progress of Pip from childhood through adulthood. As he moves from the marshes of Kent to London society, he encounters a variety of extraordinary characters: from Magwitch, the escaped convict, to Miss Havisham and her ward, the arrogant and beautiful Estella. In this fascinating story, Dickens shows the dangers of being driven by a desire for wealth and social status. Pip must establish a sense of self against the plans which others seem to have for him and somehow discover a firm set of values and priorities.

## Customer Reviews

Charles Dickens (1812-1870) is the most popular and, many believe, the greatest English author. He wrote many classic novels, including David Copperfield, Oliver Twist, and A Christmas Carol. Great Expectations and A Tale of Two Cities are available from Brilliance Audio.

The novels and stories of Charles Dickens have been around for almost 200 years for a reason. He is simply one of the best novelist who ever lived. Originally released in serialized form in magazines, each fresh installment would create an uproar a...Read MoreThe novels and stories of Charles Dickens have been with us for years for a reason. He is simply one of the better novelists. Originally released as serialized form in magazines, each new installment would create an mark as many readers rushed to the bookshops for the latest offering fresh off the presses. In the United States, the ships carrying the magazine issues from England would often be stormed by readers who couldn't even wait for them to be unloaded. Such was the fervor Dickens' writing created. With A Tale of Two Cities and Great Expectations, you have two of his best novels in one handy volume at a great price. It's a tale of redemption, secrets, romance and tragedy. There is something for everyone in this timeless novel and like all good fiction, there is also valuable lessons to be learned. Great storytelling is a timeless gift. With two amazing novels , you're in for a nice treat.

Two Dickens classic rolled into one with a dozen or more illustrations for each separate book. Illustrations were more "mood" pieces including old sailing ships, jail cells, street ways, and even a guillotine which I thought fine, but several images were repeated in the book(s) and given the heavy emphasis on the great dialogue written by Dickens I expected much more artwork comprised of people than were present. I thought the two books were ok overall, but I'm still wanting to shop for some better illustrated versions.

Of the two I think A Tale of Two Cities impacted on me the most. The overall sense of forboding and unease which starts part way through is just unsettling! When we get to the revolution the atmosphere is palpable! I think that Sydney Carton is Charles Evremond's brother!

I love his Oliver Twist and A Christmas Carol. But, no matter how hard I tried, and even though I read 20 to 30 % of each, I just couldn't get into these books.

Wonderful classic

Charles Dickens is a wonderful author, putting character and perspective to historical fiction. You truly get involved in the story line and care about the characters. You can hardly go wrong when you select a classical piece of literature like "A Tale of Two Cities," and "Great Expectations." About the seller: This product was perfectly packaged and delivered before the expected delivery date. I appreciate both very much. I recommend both the product and the seller.

I prefer the readings more than the BBC Radio reenactments... so I strongly recommend this

An adequate version of two classic Dickens tales with an added history of the French Revolution in this Kindle version.
