Patriotic Favorites: Eb Alto Saxophone

Synopsis

(Essential Elements Band Folios). Here is the ultimate collection of Patriotic songs arranged to be played by either full band or by individual soloists (with optional accompaniment CD). For each song in the individual student books, there is a page for the full band arrangement as well as a page for solo use. In the same popular format as Michael's "Movie Favorites" and "Broadway Favorites", each arrangement in "Patriotic Favorites" is correlated with a specific page in the Essential Elements 2000 Band Method. However, you don't need to be using this particular method to enjoy these wonderful arrangements! Includes: America, The Beautiful; America (My Country, 'Tis of Thee); Armed Forces Salute; Battle Hymn of the Republic; God Bless America; Hymn to the Fallen; The Patriot; The Star Spangled Banner; Stars and Stripes Forever; This Is My Country; Yankee Doodle/Yankee Doodle Boy.

Founded in 1947, Hal Leonard Corporation has become the worlds largest print music publisher, representing some of the greatest songwriters and artists of all time. We are proud to publish titles of interest to all musicians as well as music lovers, from songbooks and instructional titles to artist biographies and instrument price guides to books about the music industry and all the performing arts.

I direct a small resident band at a local retirement village and use this book. The residents love to

play the songs and the resident listeners as well. I buy these books as new member join the band.

We have several music books but we never received a new book that was on this horrid condition looked like it was dragged through the mud and peed on - so sad after cleaning it up and spraying it with fabreeze it was at least tolerable but I probably would not order patriotic anything over the Internet because apparently American doesn't stand for freedom and peace anymore
