Torbjorn: Before Overwatch

Synopsis

Torbjorn used to be chief engineer and weapons expert of Overwatch â “ a once great and influential organization that prevailed in the omnic crisis. But that is in the past now, and Overwatch has been disgraced and disbanded. Meanwhile, Torbjorn and his loyal Bastion unit have devoted their lives to taking out any rogue omnics that Torbjorn had created. Yet, all is about to change when the two companions investigate the massacre of a small Swiss town, discovering something much bigger and deadlier than they had previously encountered. Could this be a new beginning for Overwatch?
