Technical Manual, 18th Edition (Technical Manual Of The American Assoc Of Blood Banks)

Synopsis

The transfusion medicine and cellular therapies landscape is changing like never before, and it can be challenging to keep up to date with developments. The Technical Manual is a valuable resource that helps newcomers and seasoned professional alike find the information they need to stay ahead of the changes currently unfolding. Expert chapter authors give you the benefit of their knowledge and experience. What's new: Completely revised and expanded patient blood management content to reflect recent developments and initiatives. Enhanced suite of chapters on the most relevant topics of interest to cellular therapy professionals. Immunohematology chapters reflecting both serologic and molecular aspects. Methods provided in SOP format on accompanying USB flash card for easy adoption and customization by your facility. Helpful appendices that can be uploaded to your organization's network.
