Great for a student entering advanced level piano. The tunes are truly wonderful and arrangements great! Martha Mier is very gifted and understands student level piano. Every book I get that she has composed is fantastic, no matter what the level. Thank you, Martha Mier!

great songs for the late beginner to early intermediate pianist. I teach piano and use these with my students to help them vary their ability and repertoire. I love them!

I highly recommend the book for those who are new to jazz, rags and blues. The pieces are easy and fun.

I would have given this book 5 stars if I wasn't so frustrated! The pieces seem more difficult than advertised -- but perhaps I was misjudging my skill level!! Anyway it's fun to try to play them and get all the syncopation right!

Have absolute admiration for Martha Miers ability to write in ANY genre - great for entertaining and interesting students - downloaded to Kindle BUT now how do I play it - tried printing no joy - tried upping font of notes - no joy so in a way what do others do with music downloaded for a Kindle -

This Jazz Rags & Blues piano solo book is a great resource for using with my piano students.

Thank you!

haven't played in years and was looking for some new music to re-spark my interest...this book is fun to play and what a blast to hear! thank you!!

These are great. My students are learning a lot from playing them - and enjoying them as well.
