Customer Reviews

Great first Jazz book! If you're a bass player, get the transcriptions of the bass lines for further education. (Tyrone Wheeler Bass Lines From Volume 54 Maiden Voyage)

Well-thought of book on the trumpet discussion boards, arrived pristine condition on-time, this is considered one of the more essential Aebersolds.

Jamey has probably done, and continues to do more for jazz education than anyone else around. This volume is further evidence of that fact.
