Founded in 1947, Hal Leonard Corporation has become the worlds largest print music publisher, representing some of the greatest songwriters and artists of all time. We are proud to publish titles of interest to all musicians as well as music lovers, from songbooks and instructional titles to artist biographies and instrument price guides to books about the music industry and all the performing arts.

First of all I'd like to tell the last reviewer that it did mention that it was all music and songs from the '90s decade of Broadway in the book's description. And secondly this is a great book to try out for more modern shows with. I myself use If I Can't Love Her from Beauty and the Beast, it's a great song to audition to more modern musicals with and it's just plain gorgeous!
