Customer Reviews

I bought this one used as they don't publish these anymore. Hagstrom atlases are the only way to go if you don't want to get lost. It's too bad this well established, local family business is no longer around because their maps are the absolute best.

Thank you, its a very helpful map too have.

unfortunately discontinued map-style by Hagstrom; easy-to-read no longer available. Lucky us that we found this copy of Fairfield Cty CT at ; we use local maps to direct our drivers, and need the larger-font street names. Very happy with condition of this map; very disappointed with Hagstrom for no longer making this layout. "New, Improved, Digitized" is definitely NOT an improvement!
