# Brahms (Famous Children Series)

## Synopsis

As part of the "Famous Children Series," this delightful story recounts episodes from the childhood of Johannes Brahms. His parents recognized his talent, but they had no extra money to pay for music lessons. Yet true genius always finds a way. Few of Johannes's childhood friends were surprised when he grew up to become a great composer. Lively, full-color illustrations on each page capture the spirit of his times.

## Customer Reviews

This is a very child friendly series of biographies. Often biographies spent too much time trying to tell the whole story from birth to death and fail to gain the interest of the child. These are good story telling, providing more a feel of the child and his life as it is connect to what he is famous for than an attempt to chronicle the whole life.
