Columbus: The Four Voyages

Synopsis

From the author of the Magellan biography, *Over the Edge of the World*, a mesmerizing new account of the great explorer. Christopher Columbus's 1492 voyage across the Atlantic Ocean in search of a trading route to China, and his unexpected landfall in the Americas, is a watershed event in world history. Yet Columbus made three more voyages within the span of only a decade, each designed to demonstrate that he could sail to China within a matter of weeks and convert those he found there to Christianity. These later voyages were even more adventurous, violent, and ambiguous, but they revealed Columbus's uncanny sense of the sea, his mingled brilliance and delusion, and his superb navigational skills. In all these exploits he almost never lost a sailor. By their conclusion, however, Columbus was broken in body and spirit. If the first voyage illustrates the rewards of exploration, the latter voyages illustrate the tragic costs- political, moral, and economic. In rich detail Laurence Bergreen re-creates each of these adventures as well as the historical background of Columbus's celebrated, controversial career. Written from the participants' vivid perspectives, this breathtakingly dramatic account will be embraced by readers of Bergreen's previous biographies of Marco Polo and Magellan and by fans of Nathaniel Philbrick, Simon Winchester, and Tony Horwitz.

A Look Inside Columbus: The Four Voyages (Click on Images to Enlarge) Description: Engraving of Christopher Columbus offering his services to King John (João) II of Portugal before winning the backing of Spain. Description: World map, c1489, of Henricus Martellus. A similar map is believed to have influenced Columbus's ideas about his first voyage.

"Laurence Bergreen's Columbus was brilliant, audacious, volatile, paranoid and ruthless. What emerges in this biography, a worthy addition to the literature on Columbus is a surprising and revealing portrait of a man who might have been the title character in a Shakespearean tragedy." — The New York Times "Laurence Bergreen's ambitious new biography, *Columbus: The Four Voyages* [is] a spellbinding epic that's simultaneously a profoundly private portrait of the most complex, compelling, controversial creature ever to board a boat. This scrupulously researched, unbiased account of four death-defying journeys to The New World reveals the Admiral's paradoxical personality." — USA Today "A compelling new book [that] details the explorer's trips to the New World, including three you haven't heard about." — Salon "Once you have read this superb account of Columbus' four voyages, you will never be content with the cliché about the Italian-born explorer's

sailing the ocean blue in 1492. Author of many prize-winning popular history books on topics as diverse as Marco Polo and Al Capone. Laurence Bergreen is a New York-based scholar whose portrayal of the life and times of Christopher Columbus is a tour de force." â " Winnipeg Free Press"Laurence Bergreen's new book, refreshingly, is fluid in style in its style and comprehensive in its research. Richly illustrated and enhanced with maps that are as legible as they are relevant. Columbus: The Four Voyages is complex in its themes, intriguing in its substance and sparkling with surprises." â " The Washington Times"In this scrupulously fair and often thrilling account of his four vorages to the "New World," Bergreen reveals Columbus as brilliant, brave, adventurous, and deeply flawed . . . A superb reexamination of the character and career of a still controversial historical agent." â " Booklist
