Customer Reviews

Used most of these drills for our winter league team. As a coach you run out of creative ideas all the time.

Did not use any of this material in my practices. I didn't like it just my opinion.

Excellent day by day, practice to practice ideas and plans. Couldn't ask for anything more.

If you are looking for ready made practices to follow to have kids practice fundamentals this book is for you. Nothing fancy, just how to have kids practice step by step for one hour and learn skills while staying ACTIVE!

Perfect for the beginning youth softball coach. Highly recommended!

It was okay. I was looking for more instructional aids, not necessarily practice drills. Their are a few drills I'll be able to use.

I have played sb for many year but have never taought. After reading and planning put my practice i am comfortable that i will do my team proud
