## Customer Reviews

Any book by Steve Arterburn is a welcome event. But this book is especially timely. Read it and be instructed, inspired, and encouraged. (Max Lucado)

Stephen Arterburn is founder and chairman of New Life Clinics, host of the daily "New Life Live!" national radio program, a nationally known speaker, and the bestselling author of more than two dozen books. --This text refers to the Hardcover edition.

This book was so good that halfway through reading the one I borrowed from the library I had to order the book and workbook for myself. It was all I could do not to highlight the library book because there are so many helpful ideas. I would highly recommend!

My Husband and I are in a Bible study group with 4 other couples. We just finished chapter 3 and we are loving it. It is helping us understand a lot about why we are the way we are. I think I will be buying it for other couples as well but would be great for any individual as well since we all have issues.

I loved this book! The concepts in it are clearly explained and applicable solutions offered that can help readers take their lives back rather than living in a perpetual state of victimization!

Perfect! I'm in awe! Not only do I understand now what has happened to me and why, but I'm taking my life back with every sentence written! It wouldn't be possible without this book, where the God's word helps to "Take Your Life Back".

Excellent develop skills to live a whole LIFE

This is a must read for anyone who feels stuck or simply needs a little nudge in order to move along the path of healing and wholeness.

Again, another book by Stephen Arterburn dealing with relationships from the past that continue to effect me/you. I highly recommend!

This is an awesome book - helpful in understanding life issues!
