Tattooing In The Marquesas (Dover Books On Anthropology And Folklore)

Synopsis

This definitive source on the intricate tattoos of Polynesia's Marquesas Islands offers a rare glimpse of a dying art. Because of the colonial authorities' 1884 ban on tattooing, there remained only a single surviving tattoo artist at the time of this 1921 survey and a dwindling number of living examples. These 38 plates of black-and-white drawings and photographs provide an unusually complete and intimate record of a sophisticated art form. The Marquesas consist of a dozen rugged volcanic islands that lie 1,000 miles northeast of Tahiti. Rich in oral traditions, folklore, and decorative arts, their complex culture was devastated by the intrusions of outsiders during the nineteenth century. In the early 1920s, Hawaii's Bishop Museum sponsored an expedition to preserve what was left of the islanders' vanishing world. Willowdean Chatterson Handy, an expedition associate, created this priceless record of the ancient body art rituals. In addition to detailed information about tattoo methods and customs, Handy's account features fascinating insights into the designs' symbolic significance and their representation of social status. Her painstaking drawings of tattoo patterns are accompanied by captions that explain the traditional motifs.

Book Information

Series: Dover Books on Anthropology and Folklore

Paperback: 80 pages

Publisher: Dover Publications; Dover Ed edition (June 11, 2008)

Language: English

ISBN-10: 0486466124

ISBN-13: 978-0486466125

Product Dimensions: 0.2 x 5.8 x 9 inches

Customer Reviews

Interesting study of the history of tattooing in the islands. The reproductions of old tattoos are good.

I was happy with this book as a reference for doing tiki sculpturing projects.

Excellent work although a bit short! I was thrilled about the explanations behind the Marquesan designs and patterns. Definitely worth buying for those interested in Marquesan tattoos.

Great book. Only complaint is that the illustrations listed in the text somehow lost their identifying number on the plates.

An excellent historical book on Marquesan tattoos. Drawings are good and the book conveys the multitude of tattoos that were employed historically. A good reference book.

good source!
